- Only 1 course used to satisfy an Approach to Inquiry can count towards your major
- Each Approach to Inquiry must be fulfilled by a separate class
- All PE credits should be completed by the end of the Sophomore year - this is a guideline, not a hard deadline!

MAJOR ADVISORS:

A list of Major Advisors for each department can be found on Moodle - Your Major Advisor will need to approve your Major Work Plan for you to declare.

MAJOR WORK PLAN:

Your Major Work Plan will be completed on BiONIC. The classes you enter into the Major Work Plan are not binding - they are to give you and your advisor a sense of the requirements you have to complete.

DECLARING YOUR MAJOR:

Bryn Mawr students may declare their major at any point during their Sophomore year.

Students considering an independent or double major should consult their Dean.
